After a tasty morning, you will be taken to a **private 3-hour city tour**. You will see the historical part of the city, razed to the ground during World War II and reborn like a phoenix from the ashes thanks to the local great archaeologists and conservators. The route rides down the Royal Route which goes past a number of historic landmarks, like Royal Castle, Old Town Market Square, St. Anne's Church, Presidential Palace and much more!

While being in Warsaw, you cannot miss a chance to participate in **Chopin music concert** performed by great present-day pianists. Concerts are preceded by a short introduction that makes you familiar with the historical and personal background.
